Deep Cleaning Checklist

This deep cleaning service follows a structured **65+ point checklist** covering kitchens, bathrooms, bedrooms, living areas, and shared spaces throughout the home. Each item is completed methodically to ensure consistency, attention to detail, and a thorough clean across every visit.

This checklist helps:

- Set clear expectations for what is included in your service
- Ensure important areas are not overlooked
- Maintain a consistent cleaning standard across all homes

If you have priority areas you'd like us to focus on, please let us know ahead of time so we can plan your service accordingly.

Kitchen

We clean and sanitize every surface to leave your kitchen spotless and hygienic.

- **Appliances Inside & Out:** Refrigerator interior (empty and accessible shelves and drawers removed and wiped), oven and stovetop scrubbed to remove burnt-on residue, microwave cleaned inside and out, dishwasher exterior cleaned
